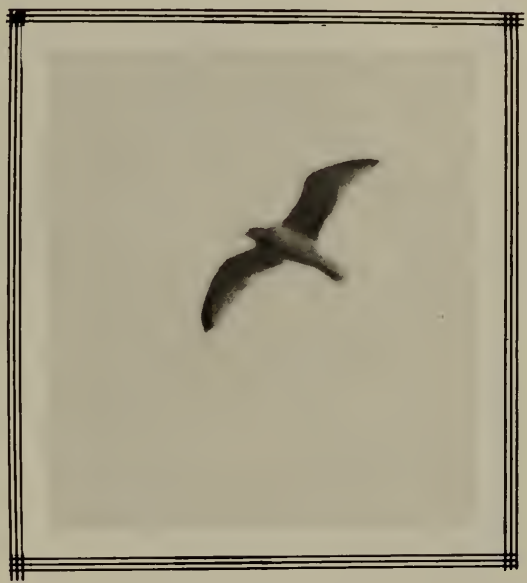
# FLIGHT

THE FLIGHT OF KNOWLEDGE
THROUGH THE PASSAGE OF TIME
GRASP IT
SAIL WITH IT
USE IT AS A GUIDE
FOR NOT A LIFE GOES BY
WITHOUT A THOUSAND QUESTIONS
ASKING WHY



ACTIVATE THE IMAGINATION
ADD TO IT THE ADVANCES OF SCIENCE
STIR IN THE DIMENSION OF TIME
QUEST FOR GOD'S UNKNOWN
FINAL DESIGN
AND NEVER FAIL TO ASK
ALL THE MORE QUESTIONS
THAT WILL COME TO MIND

TAKE THE LESSONS LEARNED IN LIFE
THOUGH THEY MAY SEEM INSIGNIFICANT
AND SMALL
AGAINST THE UNKNOWN FRONTIER
THAT WILL FOREVER REMAIN SO VAST
YOUR EXPERIENCES WILL COUNT OVER ALL
FOR THE CURIOUS AND UNKNOWING
WILL NEVER FAIL TO ASK

SO WITH LOGIC
REASON
AND SOMETIMES RHYME
GIVE THE BEST ANSWER
THAT YOU ARE ABLE TO FIND
FOR TRUE WISDOM IS ATTAINED
ONLY WHEN THE KNOWLEDGE THAT IS GAINED
IS PASSED

AND IT IS ONLY OUR MINDS
THAT CAN LIFT THE WINGS OF KNOWLEDGE
AND CARRY IT
THROUGH THE PASSAGE OF TIME.

*The Class of 1987 wishes to dedicate our Yearbook, Flight, to two men without whom Mt. Wachusett Community College would not have grown and flourished into what Governor Michael S. Dukakis recognized as one of the finest Community Colleges in the Commonwealth.*

*Both men, President Arthur F. Haley and John P. Hogan, Dean of Student Services and Acting President, have served this college since its inception in 1963, and in this year of retirement the Class of 1987 would like to take this opportunity to express its gratitutde for the 24 years of outstanding service and dedication rendered by these two men. Their loss will be deeply felt, not only by the students, but by the faculty and administration as well.*

*We wish them many years of joy and happiness in their retirement, for they gave their best to the college and deserve only the best in their forthcoming years of leisure.*

*by Jim Altieri, presented to President Haley and Acting President Hogan, on July 16, 1987*

July 23, 1987

Dear Graduates:

I write to congratulate one and all on achieving the Associate degree in the class of 1987.

I also write to say farewell, as I too will be leaving the Mount for a life of leisure and relaxation. I have many fond memories of each of the 22 classes and yearbooks since the first class left us in 1966, and special thoughts on you as the most recent.

Your class distinguished itself in many ways and contributed much to the College during your brief stay with us. I hope you will continue to be supportive and active in our Alumni Association. I plan to volunteer some of my leisure time to help stimulate Alumni activities and possibly enhance the work of the Alumni officers you have elected for the coming year.

A yearbook becomes more valuable with time. File it away as it will be useful to you in many ways. I trust your memories will be positive ones -- as mine are -- and that we will meet again in the years ahead.

God Bless!

Sincerely,

John P. Hogan

Kathi J. Pullen

Kathi was a student at Mount Wachusett Community College and would have graduated from the BAC Program in May 1987. During her battle with cancer, Kathi never tired in her quest for knowledge and education. She was a courageous woman and still is a continuing source of inspiration for many of us at The Mount.

I've been watching a nest of birds outside my window. I've watched as both parents guard the nest. I've watched as five babies came to life. I've watched as one parent protects the children while the other gathers food. I've seen both parents feed the babies. I've heard the beautiful sound of screaming babies at feeding time. I've seen the young ones flap their wings, getting ready for flight. I've seen them leave the nest hoping they will come back, knowing they must go out and live freely.

My mother bought a bird and I went to see her pet. He lives in a small cage, and although he is cared for and protected from the dangers of the outside world, I still can't help but feel sorry for him.

Thinking of the lives of these birds and relating them to man, I wrote the following poem.

Dianne L. Blake

## LIKE A BIRD

### BY DIANNE L. BLAKE

He sings beautifully, seemingly content with his life
In his caged world.

He is fed, watered, and bathed, thus has no need for wants
In his caged world.

He sees a companion in his metal mirror. He talks to him,
gives him kisses, and enduringly waits for a response
In his caged world.

He flaps his wings and tries desperately to fly, but is
surrounded by barred walls that safely keep him within
In his caged world.

At night he is covered with darkness . He closes his eyes and
sleeps alone, not caring about tomorrow, for all he has is contained
In his caged world.

"Work To Rule"

Work To Rule, was implemented October 1, 1986 as a protest over stalled contract talks between the Board Of Regents Of Higher Education and The Massachusetts Council of Community Colleges. It limited the work performed by faculty members, mainly those which came under the heading "volunteer work", (which was forbidden). Student involvement showing opposition to Work To Rule included a silent moratorium of the wearing of black arm bands, which eventually helped to influence the union's decision to put an end to Work To Rule, finally, early in May of 87.

against a grey sky
seeing it flap
in the breeze
